

THE SURFACE + DESIGN EVENT

CHINA

2019 | The Surfaces & Design Event China

2019.12.11-13 Hall W3, Shanghai New International Expo Centre (SNIEC)

Event Overview

Comprised of three industry leading tradeshow: SURFACES | StonExpo | TileExpo, The International Surface Event (TISE) is a world-class floor covering, stone and tile industry event, and is the industry marketplace for distributors, wholesalers, manufacturers, and industry experts in North America to source products and services, gain the knowledge, and see latest trends and technologies.

The Surfaces & Design Event China will be held on 11-13 December 2019 at Shanghai New International Expo Centre (SNIEC) in Shanghai, which announces the launch of SURFACES in China. Organized by Informa and China Chamber of Commerce of Metals Minerals & Chemicals Importers & Exporters (CCCMC), in partnership with the North America event, the event will showcase stone, tiles, floor and wall covering products, installation and maintenance tools and technologies. The event aims to create a networking and business platform for the floor and wall covering industry, and to bring together buyers, suppliers, manufacturers, designers and other industry professionals to keep up with the trend, see the latest technologies and innovations, most importantly to develop new business opportunities.
